RECEPTION AND CEREMONY DECOR

We do not have pre-made decor packages because just as our brides do, we value uniqueness. Our weddings are designed based on bride's inspiration using our planning guide. We quote the decor fee based on group size and it includes the following:

- * Ceremony set up on the beach: Arch with fabrics, table for ceremony, and white folding chairs with optional ribbons. Arch fabrics and chair ribbons are available in colors of choice.
- * Reception & Restaurant: Linens, napkins, all tableware, ribbons/fabric for chairs, all elements needed to create centerpieces (florals separate), candles, personalized name cards, menu cards, welcome table, cake table, favor table, and restaurant. All linens and fabrics are available in colors of choice.
- * Fresh flowers are not included in ceremony or reception, and any additional elements that you may request, will be quoted separately.

WHICH KIND OF CEREMONY CAN WE HAVE IN HURACÁN CAFÉ?

Most of our ceremonies are symbolic. We have an in house team taking care of ceremonies and we also have an MC. We recommend symbolic ceremonies as they can be personalized, bilingual, and will be set to your mood. Legal ceremonies can also be done in Huracán Café.

OFF VISION, BUT SAY WE WANT TO SPEND
XX AMOUNT OF DOLLARS INSTEAD,
IS THAT POSSIBLE?

It is. Pinterest is amazing but keep in mind that some
of these glamorous centerpieces or structures are costly.
I will always work with your budget and be as honest as possible.

At Huracan we make magic happen.

It is important for me to understand the whole vibe,
ambient and feeling you want to have, with that on mind
and your budget there are always beautiful things
that can be done.
